

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
ACCORD SOFTWARE & SYTEMS PVT. LTD.	India	IRNSS(NavIC) Receivers, GNSS Receivers, GNSS/NavIC based Time Server, MSS Terminal, IRNSS based Vehicle Tracker, GNSS Simulator, FAA certified GPS Receiver, CDMA Transceiver, ADS-B Ground Station
AEROSPACE ENGINEERS PRIVATE LIMITED AgniKul Cosmos Private Limited	India India	Rubber components – Sealing Rings, Sheets & Diaphragms, Bellows, Extrusions & Hoses, Metal Bonded components, Harness Clamps, Dynamic Seals, Conductive Bellows, Unions & Connectors, Cockpit (a) Canopy Seals, Vibration Isolators, Metallic components like Lubrication oil pumps, High, Medium & Low pressure hose assemblies, Tail cone assembly. Machining components made from Aluminium alloy, Steel alloy, Titanium, Magnesium Alloys, Inconel, Tungsten, Nickel Chromium alloy, Graphite, Composite, Brass, Copper, Phenolic Resin & Fiber Glass, Composite components using technologies like compression moulding for DMC, SMC & wet layup, Transfer moulding for DMC, Vacuum bag moulding of prepregs, Hot air oven curing of prepregs, Polyurethane hard foams, etc., Machining of PTFE, Delrin, Nylon, FRP, etc., 100 kg class orbital launch vehicle (AgniBaan), 19.6 kN thrust LOX/Kerosene Engine
AIDIN TECHNOLOGIES PRIVATE LIMITED	India	Fabrication, Assembly and Testing to Customer specifications of Space grade PCBs and subsystems, Offset Management, Obsolescence Mitigation, RF and Microwave, GaN based Solid State Power Amplifiers, RF Cables, Coaxial Connectors Assembly, System design and development for EW Systems, Power Electronics, Mixed Signal and Embedded
AIMIL Ltd	India	GNSS Simulators for Space applications, NTP/PTP Servers, Cryogenic Noise Standard, 4. IRIG time code Generators/Readers, Pulse Phase Noise Test System, Time & Frequency Distribution Systems, Signal Generators, Rubidium FREQ Standards, Calibrated Noise Sources, Electronic Loads, RF Power Meters, Peak/CW USB Power Sensors, Waveguide Components, Arbitrary Wave form Generators
AIRBORN INTERNATIONAL	India	Connectors, Flex
AIRBUS DEFENCE AND SPACE	France	Orbital Systems, Launchers, ENS Satellites and Spacecraft Probes and Rovers, Defence, Telecom Satellites, Propulsion, Space Equipments
Alpha Design Technologies Pvt Ltd	India	Manual Flyaway VSAT, NavIC Messaging Receiver, Miniature NavIC Receiver, NavIC Receiver for Vehicle Tracking, Distress Alert Transmitter, Dual Frequency Antenna, Satellite based - Supply, Installation & Commissioning and Maintenance of Equipment for Distance Education and Telemedicine Network, Supply, Installation & Communication and Maintenance of HTS Earth Station and Remote VSATs, Frontend Amplifier-Frontend Receiver 0.5-40GHz, Channelised Receiver 0.5-18GHz, RF Conditioning Unit, C Band SSPA, Two Way MSS Terminal for Vessel tracking, Multiband Terminal (UHF & S-Band) - Modules, Model of Nose Cone Assy of GSLV-III, Rudder/Flapperon of Su-30
ALTAIR ENGINEERING INDIA PVT LTD	India	HyperWorks Software, PBS Suite Software, Partner Alliance Software, Solid Thinking Software, Carriots Software
Amphenol Omniconnect India Pvt Ltd	India	LMR Cables for Low loss Application, RF Coaxial cables and assemblies with space Legacy, Microwave Cable Assemblies for general purpose application, 4. Phase Track Cable Assemblies for Phased Array Radar, 5. Miltech Cable Assemblies (MIL-T-81490, MIL-C-87104 Qualified for Air Born Platforms), Silverline Test Cable assemblies upto 110 GHz
AMT GROUP	India	AMT Allmatic Precision Machine Vice, AMT Precision Drilling cum Tapping Machine, AMF Zero Point Positioning Systems, Centerdrill Specialist in Thermal Drilling

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
ANALYTICAL GRAPHICS INC	India	
ANANTH TECHNOLOGIES LIMITED	India	Telemetry Telecommand Systems, Power Distribution Systems, Core Power & Shunt Packages, Launch Services, AOCE Systems, DC/DC Convertor, Small Satellites
ANANYA TECHNOLOGIES PVT LTD	India	Line Replacable Unit, Ground Support Equipment, MIL1553 Data Bus Coupler, Cable Harness Manufacturer, MIL1553 Data Bus Harness
Antrix Corporation Limited (ACL)	India	
ASIA SATELLITE TELECOMMUNICATIONS COMPANY LIMITED (ASIASAT)	Hong Kong	AsiaSat 4, AsiaSat 5, AsiaSat 6, AsiaSat 7, AsiaSat 8, AsiaSat 9, DTH, Occasional Use Services, TV Distribution, VSAT
		<p>AMPL's space product portfolio includes C-Band T/R modules, 8x8, 4x4 switch matrices, S-band transmitters, X-band QPSK transmitters, X-band phase shifters, power amplifiers, 2,3,4 and 12-way power dividers for Radar Imaging Satellite (RISAT), Ku-band MMIC-based receivers, Tile control units, TR controller units, Integration Blocks, CAL switch matrix, S-band Digital Phase shifters, beacon source, 8x8 routers for BES, V/UHF T/R modules for ST radar, L-Band T/R modules for wind profile radars, L-Band TRU, multi-layer printed antenna for Multi-Object Tracking Radars (MOTR), Quad Super Heterodyne Receivers, MSS Type-D briefcase terminals for disaster communications, MSS Loco terminals and SATCOM-based automatic weather stations for meteorology applications.</p> <p>AMPL's space service portfolio is based on its robust and state-of-the-art infrastructure capable of catering to space-grade requirements. AMPL offers screening services for components to meet stringent space-grade requirements to ensure reliability of the products. AMPL has in-house screening facilities certified by ISRO for carrying out screening tests according to Space requirements. AMPL has pioneered in the supply of products screened for space requirements. Many ISRO launch vehicles/satellites have components screened by AMPL.</p>
ASTRA MICROWAVE PRODUCTS LIMITED	India	
AXON INTERCONNECTION AND WIRES PVT LTD	India	Micro D & Harnesses, Nano D & Harnesses, R F Cable Assemblies, Bus Cable, Coupler Harnesses, Bus Bar For Power Distribution Systems, LVDS Cables, Atox Resistant Cables, High Voltage Cables, ESCC Wires & Cables, Axomach Assesmbles for High Data Rate
AZISTA INDUSTRIES PRIVATE LIMITED	India	Micro Satellite
BAE SYSTEMS	India	
BHARAT ELECTRONICS LIMITED	India	
CARLISLE TRADING & MANUFACTURING (I) PVT LTD	India	Brakes, Carbon - Carbon, Hydraulics
CENTER FOR INNOVATION	India	
		<p>LTCC based TR Modules in X, C and S Band Frequency range, KU Band ALC Channel Amplifiers/SSPAs, reaction wheel commutation electronics module for satellites [ISRO], DC-DC converters 3W to 100W for space applications[ISRO], Solar array Drive Assembly - Angle sensor for satellites [ISRO], Earth Sensor assembly for GEO satellites/ Sun Sensor assemblies [ISRO], Crystal oscillators (VCXO, TCXO & Clock oscillators) for spaceapplication [ISRO], Modules for Meteorological payload applications [ISRO], Modules like Relay Drivers, Thruster Drivers, Magnetic Torquer Drivers and Multiplexers (analog and digital) for space applications [ISRO], Acceleration sensor electronics for launch vehicle and satellite applications [ISRO]</p>
Centum Electronics Limited	India	
CERAMICS SCIENCES CORPORATION	India	
CHIME PERFORMANCE POLYMERS PVT LTD	India	Dupont Vespel, Dupont Kalrez, Delrin & Nylon Rods

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
Centro Nacional de Estudios Espaciales CNES (French Space Agency)	France	Space Agency
CUMING MICROWAVE CORPORATION	4ru	
		Rugged Military Electronics, COTS/MOTS Modules, Satellite Onboard Computers, V/UHF Tranceivers, Nano Satellite, Launch Vehicles Electronics, Communication Systems (Modem), Automatic Test Equipments, Check out Systems for Launch Vehicles, Check out Systems for Missiles, Aircraft cockpit display, Radar and Radar Electronics, Missile Seekers, Avionics LRUs, EElectronics Warfare LRUs, Fire Control Systems for Missiles and torpedoes, Un-Manned Air Vehicles (UAV) Electronics, Built to print activities in space electronics
DATA PATTERNS (INDIA) PRIVATE LIMITED	India	
EOS GMBH INDIA BRANCH OFFICE	India	
		Carbon Fiber Composites, Carbon Fiber based Thermally Stable Structures, High Precision Machined Titanium / Aluminum / Special Steel Components, Cryogenic Composite Structures (Umbilical Housing & Flight Adaptors), Carbon Fiber Payload Structures, Honeycomb Sandwich Structures, Custom Made Foam Core Sandwich Structures, Finite Element Analysis & Optimization (Composite Materials), One off Prototyping and New Developments, Joint Research and Development Projects
Eternus Performance Materials Private Limited	India	
FARO BUSINESS TECHNOLOGIES (I) PVT LTD	India	Faro Factory Array Imager, Faro Edge Scanarm HD, Faro Gage, Faro Laser Tracker Vantage
FINE LINE CIRCUITS LIMITED	India	
		Actuators, Motors, Solenoids, Transformers, Electromechanical Assembly, Box Builds, Chassis Integration Cabinet Integration, Position Sensors
HICAL TECHNOLOGIES PRIVATE LIMITED	India	
HONEYWELL MICROELECTRONICS USA	USA	
HTA ENTERPRISES	India	
Indian Institute of Remote Sensing (IIRS)	India	
		Space Grade RF Transistors, Space Grade Rad-Hard MOSFETs, Space Grade Diodes
INFINEON TECHNOLOGIES INDIA PVT LTD	India	
		Antenna Feed, LPFT Straightener, closed Impeller, Exhaust Unit, Pre Burner impeller, Manifold, Fuel Vales, Tanks, DfAM Services, Machining services
INTECH DMLS PVT LTD	India	
INTER-CONTINENTAL MICROWAVE	India	
ISRO Inertial Systems Unit (IISU)	India	
ISRO Propulsion Complex (IPRC)	India	
ISRO Telemetry, Tracking and Command Network (ISTRAC)	India	
		Simulation, modeling and Analysis software tool, Hyperspectral Imagery and Wavelet data compression and storage technology, Calibration Kits, Space-grade RF, Microwave and Millimeter wave products, Composite Materials – Quartz, Kevlar, Carbon – Honeycomb structures, Test & Measurement equipment, Device Characterization products, DC-DC Converters, LTCC substrates, Space-grade cable assemblies – High Power, High Voltage, LVDS, data cables, Sealant Materials, Space-grade isolators, circulators, Limiters, multiplexers, switches, pto-electronics components
ITGLOBE INC. (SAMKALPA SYSTEMS PVT LTD.)	India	
		Turnkey / Package Solutions, Earth Observation Services, Launch Services, Coordination of ROSCOSMOS State Space Corporation international projects, Manned flights to the ISS, Scientific Experiments, Export of Russia Space industry products, R&D Engineering Center, Training, Consulting Services
JSC GLAVKOSMOS K.NARKHEDE VIDYALAYA AND JUNIOR COLLEGE BHUSAWAL	Russia India	

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
KALPANA CHAWLA CENTRE FOR SPACE AND NANO SCIENCES	India	Organise Professional Coursework related to Space Science and Technology, Organise Semi Technical exposure Workshop on aspects related to Space Science and Technology for UG/PG Students, Organise Outreach Programs related to Space Science and Technology, To do Professional research work related to Space Science and Technology
KERALA START UP MISSION	India	
KEYSIGHT TECHNOLOGIES	India	Electronic Test & Measurement Equipment
KEYSTONE ENGINEERING	India	
KOHESI BOND	India	Adhesives, Sealants, Coatings, Pottings, Encapsulants, Low Outgassing Adhesives, Cryogenic Adhesives, One & Two Part Epoxies, Sodium Silicates, Bubble Panel (Hydroformed Panel)
KSAT – KONGSBERG SATELLITE SERVICES	Norway	Ground Network Services, TT &C, Data Acquisition 4. LEOP & Launch Support, Sounding Rocket support, Data Handling, Hosting Services 8. Earth Observation Services
Laboratory for Electro-Optics Systems (LEOS)	India	
LARSEN & TOUBRO LIMITED	India	Hardware for Launch vehicles, Hypersonic Wind Tunnel systems Tracking Radars, Solar Array Deployment Mechanisms, Deck Panels, Bull Gear Mechanisms, 32 m Dish Antenna
Liquid Propulsion Systems Centre (LPSC)	India	
LUCAS SIGNATONE CORPORATION	India	
LUNA OPTOELECTRONICS / ADVANCED PHOTONIX INC	India	
MACHINE HOUSE (INDIA) PRIVATE LTD	India	Antivibration mounts, Vibration testing service, Levelling elements, Air spring dampeners
Master Control Facility (MCF)	India	
MAURY MICROWAVE CORPORATION	India	
MEASAT Global Berhad	Malaysia	Broadcast Distribution (UHS/HD/SD), Co-location, IP over Satellite Transit ("iPOST"), Multi-homed IP Transit, Managed Bandwidth Services (MBS), Occasional Usage Services, Transponder Leasing, Uplink/Downlink Connectivity, Video Playout(UGD/HD/SD)
MICRO LAMBDA WIRELESS INC	India	
MICROCHIP	India	
MISHRA DHATU NIGAM LTD	India	Super alloys, Titanium & Titanium Alloys, Special Steels, Molybdenum, Special Weld Consumables 6. Magnesium Alloys, Fastners (Titanium, Superalloys, Special Steels) 8. Columbian Alloy, Soft magnetic alloys (Softmag series), Soft Iron
NanoAvionics, LLC	Lithuania	Nano-Satellite platforms, Nano-Satellite Subsystems, Green Chemical Propulsion
National Atmospheric Research Laboratory (NARL)	India	
National Remote Sensing Centre (NRSC)	India	
NATIONAL SPACE ORGANIZATION (NSPO), TAIWAN	R.O.C	Space Components, Spacecraft Subsystems, Spacecraft Bus, Systems Engineering, Mission Operation, Ground Communication Service, Satellite Integration & Test, Remote Sensing Data, Radio Occultation Data, Payload Instrument
NEWSPACE SYSTEMS	India	
NITTE MEENAKSHI INSTITUTE OF TECHNOLOGY	India	
North Eastern-Space Applications Centre (NE-SAC)	India	
NTLab	Belarus	Integrated circuits for navigation, RF Front-End ASICs, OEM modules for satellite navigation, GNSS-aided INS/AHRS, CRPA-based GNSS receivers, GNC equipment development
PAHWA METALTECH PVT LTD	India	Non-Sparking Tools

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
PARK CONTROLS & COMMUNICATIONS (P) LTD	India	Airborne Flight Instrumentation /Airborne Recorder System / Health & Utility Management System (HUMS), Time Reference System / NTP Server / Video Time Inserter / Time Code Reader / Time Display Unit / Distribution Amplifier / Count Down Time Generator-Translator, Airborne RF Telemetry Transmitter / Power Amplifier / Power Divider / Notch Filters, Control Systems for Military Tank Turret Control, Airborne Guidance, Airborne Engine, Airborne Generator, End to End Data Acquisition System including Telemetry Receiver, Bit Synchronizer, Decommulator and Universal Data Acquisition Application Software
PES University	India	PISat – student satellite of PES University, UWDES - small satellite deorbit kit, Magnetic Torquers (1.5Am ²), 4-Pi Sun sensor, Class 100,000 clean room facility, S-band ground station
PHASE MATRIX INC	India	
PREMIER EXPLOSIVES LIMITED	India	Propellants, Pyro Devices, Rocket Motors, Pyrogen Igniter, Detonators, Pyro Cartridges, Chaffs & Flares, Mob Control Devices, O & M Services, SPP SDSC SHAR, Sriharikota, O & M Services, SFC Complex, Jagdalpur
RAPID DMLS INC	India	Metal 3D Printed Aerospace & Defence Components, Multiaxis Machining, Metal Additive Manufacturing, CMM Inspection, Reverse Engineering, Inconel and Titanium Rotor Blades and Stator Vases, Medical Implants / Surgical tools
RAY-Q INTERCONNECTION INDIA PVT LTD	India	Components Distribution for cable harness Industries, Engineering Support-Design & Development, Proto with complete manufacturing files, On job training at customer site, Off the Shelf stock
RENESAS	India	
S M CREATIVE ELECTRONICS LTD	India	Electronic Components, Power Supply, Telemetry System
SAANKHYA LABS PVT LTD	India	Vessel Tracking Terminal, Locomotive Tracking Terminal, L-Band Broadcast Receiver, S-Band Satellite Modem, Burst Demodulator, Time Division Modulator, USB Dongle Receiver
SAINT GOBAIN	India	Omni Seals, RULON Polymer, MELDIN Polymer, NORGLIDE, NORBOND TAPES
SAPHYRION	India	
Satish Dhawan Space Centre (SDSC)	India	
SCIENTIFIC RESEARCH INSTRUMENTS COMPANY LIMITED (SRICO)	India	Scientific Research Instruments
Semi-Conductor Laboratory (SCL)	India	
SERVOCONTROLS AEROSPACE INDIA PVT LTD	India	Supply of servovalve, repair, service and refurbishment of various types of servo valves in clean room, Design development and supply of Custom built manifold blocks for aerospace applications, Design development and supply of Custom built electromechanical and electrohydraulic actuators, Supply of Position transducers, Linear, Rotary and Wire draw type for aerospace and space applications, Design development and supply of wheel hub landing gear with brake unit for aircrafts, Design Development of Nano satellite, Precision manufacturing of aerospace and space components i.e., lens holders, electromechanical rotary actuators, POD assembly, cylinders, Supply of Piezoelectric motors and shutters for Space, Aerospace and defense applications, Design development and supply of various test rigs i.e., Impulse fatigue test rig, Refuel shutoff valve test rig, PDOS test rig, Rotor brake test rig, High pressure power packs, MRA/TRA etc, Design development and supply of 3/6 DOF motion platforms both electromechanical and electrohydraulic, Development of launchers

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
SHELL-N-TUBE PVT LTD	India	Vacuum Jacketed Super Insulated Pipelines, Vaporizers, CryoMobile - Cryogenic Tanks, Cylinder Fillings Systems, Phase Separators, Gas Mixers, Gas Cylinder Filling Manifolds, Wide Neck DEWARs, Cryogenic Heat Exchangers, Liquid Helium Dewar, Cryostats for Industries & Researches, Design Engineering & Establishment of Cryogenic Storage & Distribution System, High Pressure Pneumatic Regulation & Distribution System, Any Custom made cryogenic application System
Si2 MICROSYSTEMS PVT LTD	India	Turnkey Design & Manufacturing, ASIC Design and Fabrication, SIP-System In Package:- IC Packaging, Integrate Multiple Dies & Dissimilar Technologies, MEMS Packaging, Manufacturing, PCB Assembly
SIERRA MICROWAVE TECHNOLOGY, LLC	India	
SLN TECHNOLOGIES PVT LTD	India	Antenna Control Servo System for 32 mtr. Deep Space Network Antenna used in Chandrayaan-1 (Indian Moon Mission) and Mangalyaan (Indian Mars orbital Mission) mission of ISRO, Signal Conditioners and Data Acquisition Systems
SONA COLLEGE OF TECHNOLOGY	India	
Space Applications Centre (SAC)	India	
SPUR DTDS MICROWAVE PRIVATE LIMITED	India	Radiation Hardened Electronic Components, RF Components, Systems and Sub Systems, Electro-Mechanical Components, Printed Circuit Boards, Space Hardware Fabrication
SUMERU MICROWAVE COMMUNICATIONS PVT LTD	India	GFRP Compression Molded Antenna system upto Ka Band 2. VSAT Antennas, Communication on the Pause (Vehicle Mounted Antenna System) 4. Antenna Control System, Monopulse Antenna System for Tracking and Telemetry Application 6. Doppler Weather RADAR Antenna System (Pedestals and Antenna Control Unit Monopulse Comparator L, S, X, Ku and Ka band frequency 8. Hat Feed, Ring Focus Feed for Man Pack SATCOM Antenna Carbon Fibre (CRFP) Reflectors
SYNERGISTIX INDIA PRIVATE LIMITED	India	EPO-TEK Epoxies, NuSil Silicones, Ferro Ceramic tapes and metallic pastes
SYRATRON TECHNOLOGIES PVT LTD	India	RF & MW Components, Waveguide Components, RF Coaxial Cable Assemblies, Micro-D & Nano Connectors, Filters, Antennas, MMIC Components, Microwave PCB & Laminates, IR Detectors, EEPROMs, Diodes
TATA ADVANCED MATERIALS LIMITED	India	Solar Panel substrates, Yokes, PS3A Panels, PLA V4 Panels, IS 3/4 Panels, CFRP Tubes, Aluminum Deck Plates with Aluminum honeycomb core – L40, IS 2/3 L, EB Deck, EB Mk-III, Heat Shield Decks, Wire Tunnels
TECNOMIC COMPONENTS PVT LTD	India	Microsemi Corporation, Cirrus Logic, Synqor, Apacer, PCB Technologies, Mercury Systems, Amphenol Socopax, CML Microcircuits, Halo Magnetics, Firecomms
TECSOL MARKETING PVT LTD	India	Space Qualified RF & Electronic Products-PCB
TELEDYNE E2V	France	Mil-Aero processors, ADCs and DACs, Space package assembly, Space product qualification
TENCATE ADVANCED COMPOSITE USA	USA	
Times Microwave Systems	USA	LMR Cables for Low loss Application, RF Coaxial cables and assemblies with space Legacy, Microwave Cable Assemblies for general purpose application, 4. Phase Track Cable Assemblies for Phased Array Radar, 5. Miltech Cable Assemblies (MIL-T-81490, MIL-C-87104 Qualified for Air Born Platforms), Silverline Test Cable assemblies upto 110 GHz
U R Rao Satellite Centre (URSC)	India	
ULTRACOR INC	India	

6th BENGALURU SPACE EXPO 2018

6-8 SEPTEMBER 2018 | BIEC, Bengaluru, INDIA

www.bsxindia.com

List of Exhibitors	Country	List of Product & Services
UNIFIED GLOBAL TECH (I) PVT LTD UNIVERSAL SWITCHING CORPORATION	India India	Space Grade Crystal & LC BPFs, Space Grade Isolators & Circulators, Space Grade Inductors, Space Grade Single Layer Capacitors, Space Grade Resistors, Space Grade Oscillators, thin Film metalized pattern substrates, Space Grade Trimmer Capacitors, MIL-PRF-39012 and MIL-PRF-55339 in series BNC, N, SMA and TNC connectors and adapters, MIL-DTL-3933 Attenuators AND MIL-DTL-39030 Terminations
VENUS TECHNOLOGIES	India	ESA Qualified PCB Connectors of Smiths Interconnect (Hypertac), NASA Qualified 2mm c PCI Connectors of Smiths Interconnect (Hypertornics), Programmable Power Supplies / Customized Power Suppliers, Battery Management Systems (Enarka Instruments), AC-DC, DC-DC Converters, EMI Filters
VIASAT INC	USA	Antenna Systems, Real-time Earth Observation, Satellite Grounds Systems, Remote Sensing Antennas, Satellite Design, Antennas, Ka-band Communications, On-the-move Broadband Satcom, Telemetry TT&C, Satellite Data Transmission
Vikram Sarabhai Space Centre (VSSC)	India	
VIRGINIA DIODES INC	India	
VPT INC	India	
W L GORE & ASSOCIATES INC	India	
WIPRO 3D (A DIVISION OF WIPRO ENTERPRISES (P) LTD)	India	Additive Manufacturing Consulting: Design & Adoption, Engineering Design, Design for Additive Manufacturing, Additive Engineering, Post Processing of Additive Manufactured Parts, Research & Development Services – custom parameters development, custom metal powder development, Testing & Validation of components made by AM
XILINX DEVELOPMENT CORPORATION	India	FPGA, System-on-Chip (SoC), RFSoc, MPSoc, VIVADO Software, SDx Software Tool Chain
