

Confederation of Indian Industry

**8th Edition of BSX 2024  
International Conference and Exhibition  
18 – 20 September 2024; Bengaluru**

India space sector has witnessed remarkable growth over the few past decades due to pathbreaking technological advancements and determined efforts of ISRO, reflecting the nation's commitment to space exploration and innovations.

Space sector in India is experiencing significant transformation with the opening of the space sector to private companies. Currently, India's share in the global space economy stands at 2 - 3%, yet it holds great potential for increased space commerce for new entrants.

Implementation of Indian Space Policy 2023 and related amendments to the FDI policy, wherein 100% overseas investment in manufacturing components for satellite, ground, and user segments is permitted, will stimulate the growth of private sector leading to increase in the India's market share in global space business.

In line with the government's vision to enhance private sector participation, Confederation of Indian Industry (CII), in association with the **India Space Research Organisation (ISRO)**, **Indian National Space Promotion and Authorisation Centre (IN-SPACE)** and **NewSpace India Limited (NSIL)** is organising the **8th edition** of its **Bengaluru Space Expo 2024** and **International Conference and Exhibition** scheduled from **18-20 September 2024** at BIEC in Bengaluru.

The three-day event will include an exhibition and an International Conference themed around "**Accelerating Tomorrow: Harnessing the potential of Space Sector for Unified Expansion**". It will serve as an ideal platform for Indian and international space agencies and companies to interact and explore newer business opportunities, showcase their strengths in the space arena, and explore partnership opportunities for the future.

The event will also highlight the initiatives undertaken by the Indian government to encourage and engage Indian industries in the space sector, as well as foster collaboration with international space agencies.

We cordially invite you to participate in the 8th edition of the Bengaluru Space Expo 2024, an International Conference and Exhibition.

We eagerly anticipate your esteemed participation at the event.

With best regards,

  
**S. Somanath**  
Chairman, ISRO  
Secretary, DoS

  
**Dr Pawan Goenka**  
Chairman  
IN-SPACE

  
**Radhakrishnan D**  
CMD  
NewSpace India Ltd

  
**Chandrajit Banerjee**  
Director General
